# Supporting your local and global needs

In the world of professional services, the most successful firms have built their businesses by specialising in delivering expert services to global markets. Moore Stephens is no exception and is acknowledged as a leader in the international business arena.

## Niche Sectors

- Shipping
- Aviation
- Energy and mining
- Real estate
- New media and technology

Founded in London in 1907, Moore Stephens has built its business on providing financial advisory and compliance services to international private clients and global corporates. These services range from providing assurance and compliance services to international structuring and succession planning.

The relationship between Moore Stephens as advisers and the clients we act for is unique. We are known not only for technical quality, but also for our discretion and attention to confidentiality, which is of second nature to us.

Above all, we succeed by providing the high level of care and personal service required to fulfil our responsibilities and meet our clients' needs and are proud of the many long-standing relationships we have built with our clients.

## Global reach

Moore Stephens International is regarded as one of the world's major accounting and consulting associations with 638 offices of member firms in 97 countries and over 20,000 people, as shown in the table below.

Moore Stephens member firms across the globe share common values: integrity, personal service, quality, knowledge and a global view. This is our commitment to our clients, which ensures we provide added value services for them, as well as a stimulating career for our people.

Moore Stephens International maintains a cohesive network to ensure modern and comprehensive services for clients worldwide, to meet standards of professionalism and deliver value in each country.
